

Bolivarian Republic of Venezuela

Communiqué

The President of the Bolivarian Republic of Venezuela, Nicolas Maduro Moros, on behalf of the Venezuelan People and Government, congratulates the Republic of Sudan on the occasion of the 62nd Anniversary of its National Independence, date on which the Sudanese People, through their Parliament, unanimously expressed their desire for self-determination and independence from the powers occupying their territory.

On this very important date for the Sudanese People, the Venezuelan Government expresses its resolute willingness to continue working on strengthening and deepening bilateral cooperation. This brotherhood was boosted right after the coming to power of the Bolivarian Revolution by the sincere feelings of respect and friendship between Eternal Commander Hugo Chavez and President Omar al-Bashir.

The Government of the Bolivarian Republic of Venezuela reaffirms the ties of brotherhood binding our Peoples and Governments, and reiterates its commitment to continue working on building a multipolar, multicenter and peaceful world for the benefit of free and sovereign nations.
