

Bolivarian Republic of Venezuela

# Communiqué

The President of the Bolivarian Republic of Venezuela, Nicolas Maduro Moros, on behalf of the Venezuelan Government and People expresses his fraternal and warm congratulations to the Government and People of Grenada, on the occasion of the 44th Anniversary of its independence.

Our People celebrates, along with this brotherly country, one more anniversary of its independence, remembering the actions of the leader Eric Mattehew Gairy, which allow the country to move towards the final cry of independence.

We reiterate our commitment to continue working together for the welfare and progress of our nations, based on the union and the principle of complementarity, alongside our best wishes for success in the construction of a multi-centric and multi-polar world, to achieve a future of equality and dignity for our Peoples.

Long live the People of Grenada!

Long live the Peoples of the Caribbean!
