

Bolivarian Republic of Venezuela

Communiqué

The President of the Bolivarian Republic of Venezuela, Nicolas Maduro Moros, on behalf of the Venezuelan government and people extends his most heartfelt condolences to the Socialist Republic of Vietnam for the human and material losses caused by Damrey typhoon, which has mainly impacted the central region of Vietnam in recent days.

The Bolivarian people and government conveys to the Vietnamese people and government a fraternal expression of solidarity and, at the same time, we send a word of encouragement to the families of the victims and those affected by these unfortunate circumstances. Likewise, we hope that survivors can be found promptly.

Moreover, the Bolivarian Republic of Venezuela -being certain that our Vietnamese brothers shall overcome the present adverse natural situation- takes this opportunity to reaffirm its willingness to strengthen the bilateral cooperation and political and friendship bonds among our nations, towards the construction of a polycentric and multi-polar world, which favours the well-being and self determination of the peoples.
