

Bolivarian Republic of Venezuela

# Communiqué

The Bolivarian Republic of Venezuela welcomes and fully supports the agreements reached at the Summit of the Organization of Islamic Cooperation and the League of Arab States, held on 11 November, in Riyadh, Kingdom of Saudi Arabia, which has addressed the genocide of Israel against the Palestinian people.

Venezuela joins the firm condemnation of Islamic and Arab countries to the Israeli aggression against Palestine, where countless war crimes and barbaric acts have been committed, and joins the actions to be undertaken in the International Criminal Court, with a view to determine responsibilities for these criminal acts.

Similarly, the Venezuelan Government supports the convening of an International Conference to boost the peace process, on the basis of the fulfillment of the resolutions of the United Nations for the urgent realization of the two-States solution.
