

Bolivarian Republic of Venezuela

Communiqué

The President of the Bolivarian Republic of Venezuela, Nicolas Maduro Moros, on behalf of the Venezuelan People and his Government congratulates the unobjectionable and resounding victory of the Cuban people in the voting session held today at the United Nations General Assembly against the illegal Economic, Commercial and Financial blockade imposed by the Government of the United States as from 56 years.

All the free peoples from America and the world take this great victory of Cuba today as their own victory. Once more, the dignity and moral strength of Cuba prevailed over the last-minute manoeuvres of the imperial warmongering diplomacy that sought to break the will of the governments represented in the UN through deception, threats and the most hideous political extortion. The Cuban people resists, advances and overcomes.

Long live Cuba

Long live the worthy Cuban People

Long live Marti and Fidel
