PRESS RELEASE

Statement from the Government of Belize on Situation in Venezuela

Belmopan. August 5, 2018. The Government of Belize laments and condemns acts of violence against a Head of State, officials and the broader populace, such as those regrettably witnessed on August 4, 2018 in Caracas, Venezuela. Belize extends its well-wishes to President Maduro, his spouse and child, to all those present, and especially to those injured in yesterday's attack.

At this difficult time, it is important to recall that Venezuela is a part of the Caribbean as a Zone of Peace, and that our countries and people deserve to reach political, social and economic development through peaceful means alone.
