Ambassador of the Venezuelan Embassy

Kingstown

St. Vincent and the Grenadines

We, The Garifuna Heritage Foundation [TGHF], of St. Vincent and the Grenadines are in Solidarity with the Government of the Bolivarian Republic of Venezuela and express our grave concern and sympathies in relation to the recent attempt on the life of President Nicholas Maduro. We are not in agreement with Any act of violence towards Government officials and it is very disheartening to hear that persons have planned and carried out such illegal acts.

Our organization is of the view that every citizen should abide by the Laws and Constitution that Governs the country and we denounce acts of violence as a way to communicate or express disagreement. TGHF stand with the people of Venezuela against this new era of violence and hopes for continued Peace and Solidarity amongst our peoples.

Yours Sincerely,

---

David 'Darkie' Williams

President
